# About Solo Housing

**A registered charity, established in 1985, Solo Housing helps single people over the age of 18 who are vulnerable or homeless within East Anglia to find stable accommodation and provide support to change their lives.**

Our residents' needs can vary, from individuals who simply need a roof over their heads, to people with more complex issues that require greater support.

We also provide supported accommodation for vulnerable people who have more complex needs. Providing regular assistance, through an assigned support worker, to help them overcome problems they are experiencing.

For individuals who simply need an affordable place to stay, we operate a lodgings scheme. The Lodgings Scheme enables people with a spare room to let to meet someone wishing to rent it. This gives the householder a useful extra tax-free income and the individual with a housing need somewhere stable to live.
